DEAR BROTHER AND SISTER

Orthodox Small Business Alliance is a start-up non-profit organization working to bring together Orthodox businesses across the world. OSBA aims to aid in building a stronger Orthodox Christian economy. The idea is to operate as a Chamber of Commerce and run our social media accounts like a Michelin Star Guide. At this time, we are in its early development stages, praying for God's guidance and clarity on how this will all come about in practicality.

Currently, we are conducting interviews of Orthodox businesses of all scales and sizes and offering short brand write-ups or "Features" on our social media outlets. This allows the opportunity for our people to get to know the brother and/or sister behind each business, further humanizing and encouraging a favorable patronage of Orthodox Christian-owned businesses.

Future goals of OSBA are to build a website that will house a directory of Orthodox Christian Businesses and perhaps eventually open regional chapters worldwide. This directory would be searchable for brothers and sisters to find and support Orthodox Businesses in their area.

We would love to hear from you if you're interested in collaborating/partnering to further this initiative and combine our talents.
God's help.
